## TRAILERS & ACCESSORIES FOR ATV

### PRICELIST TRAILERS & ACCESSORIES 2023

Valid from 28 April 2023. All prices below exclusive VAT. Freight excluded.

Part	Part.no.	Description	Price SEK
<b>CRANE TRAILERS FOR ATV</b>			
Forester Light	770-001	Forester chassis, 3,4 m standard crane, valve package 5+2 multistick, engine 6 hp Vanguard, no drive, no frame steering, 22x11-8 wheels	92 000
Forester Standard	770-002	Forester chassis, 3,4 m std crane, valve package 5+2 lever multistick (linear), engine 6 hp Vanguard, hydraulic drive, manually operated with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	151 000
Forester Plus multistick	770-003	Forester chassis, 4,2 m crane (0,8 m extension), valve package 6+2 lever multistick (linear), engine 6 hp Vanguard, hydraulic drive manually controlled with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	170 000
Forester Plus multistick, with automatic drive and electric start	770-004	Forester chassis, 4,2 m crane (0,8 m extension), valve package 6+2 lever multistick (linear), engine 6,5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	184 000
Forester Plus 2-lever	770-005	Forester chassis, 4,2m crane with extension, valve package with 2-lever coordinate levers, engine 6 hp Vanguard, hydraulic drive, manually operated with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	173 000
Forester Plus 2-lever w automatic drive and electric start	770-006	Forester chassis, 4,2 m crane (0,8 m extension), valve package 2-lever coordinate levers, engine 6,5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebar, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	187 000
Forester Pro multistick	770-007	Forester chassis, 4,2 m crane (0,8 m extension), valve package 6+2 multistick (linear), engine 6,5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide included.	198 000
Forester Pro 2-joystick electric on/off	770-008	Forester chassis, 4,2 m crane (0,8 m extension), valve package 2 joystick electric on/off, engine 6,5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide included.	202 000
Forester Complete multistick	770-009	Forester Pro (part no. 770-007), hydraulic tipping flatbed, lifting bucket, lifting beam	222 000
Forester Complete 2-joystick electric on/off	770-010	Forester Pro (part no.770-008), hydraulic tipping flatbed, lifting bucket, lifting beam	227 000

**CRANE TRAILERS FOR ATV**

<b>Ranger Standard</b>	<b>771-011</b>	Ranger chassis, 3.8 m std crane, valve package 5+2 lever multistick (linear), engine Vanguard 6 hp, hydraulic drive, controlled manually with two levers, electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels	195 000
<b>Ranger Plus multistick</b>	<b>771-012</b>	Ranger chassis, 4.8 m crane (1.0 m extension), valve package 6+2 lever multistick (linear), engine Honda 13 hp with electric start, hydraulic drive, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheel	235 000
<b>Ranger Plus 2-lever</b>	<b>771-013</b>	Ranger chassis, 4.8 m crane (1.0 m extension), valve package 2-lever coordinate levers, engine Honda 13 hp with electric start, hydraulic drive, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels	239 000
<b>Ranger Pro multistick</b>	<b>771-014</b>	Ranger chassis, 4.8 m crane (1.0 m extension), valve package multistick 6+2 (linear), engine Honda 13 hp with electric start, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, radio controlled hydraulic winch, 300x65-12 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide included.	245 000
<b>Ranger Pro 2-joystick electric on/off</b>	<b>771-015</b>	Ranger chassis, 4.8 m crane (1.0 m extension), valve package 2-joystick electric on/off, engine Honda 13 hp with electric start, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, radio controlled hydraulic winch, 300x65-12 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide included.	249 000
<b>Ranger Complete multistick</b>	<b>771-016</b>	Ranger Pro (part no. 771-014), hydraulic tipping tray, lifting bucket, lifting beam	273 000
<b>Ranger Complete 2-joystick electric on/off</b>	<b>771-017</b>	Ranger Pro (part no. 771-015), hydraulic tipping tray, lifting bucket, lifting beam	277 000

**CRANE TRAILERS FOR TRACTORS**

<b>Forester Tractor Light</b>	<b>770-118</b>	Forester chassis, 3.4 m std crane, valve package 5+2 lever multistick (linear), no drive, no winch, no frame steering, 22x11-8 wheels	81 000
<b>Forester Tractor Standard</b>	<b>770-119</b>	Forester chassis, 3.4 m std crane, valve package 5+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	128 000
<b>Forester Tractor Plus multistick</b>	<b>770-120</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 6+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	146 000
<b>Forester Tractor Plus 2-lever</b>	<b>770-121</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 2-lever co-ordinate levers, hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	149 000
<b>Forester Tractor Pro 2-joystick electric on/off</b>	<b>770-122</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 2-joystick electric on/off, hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide included.	163 000
<b>Ranger Tractor Plus multistick</b>	<b>771-124</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 6+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	187 000
<b>Ranger Tractor Plus 2-lever</b>	<b>771-125</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 2-lever co-ordinate levers, hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	190 000
<b>Ranger Tractor Pro 2-joystick electric on/off</b>	<b>771-126</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 2-joystick electric on/off, hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide included.	204 000

## CRANE TRAILERS FOR TRACTORS

<b>Taiga Light</b>	<b>780-017</b>	Taiga chassis with frame steering (operated by the tractor hydraulics), 3.8 m crane, valve package multistick 6+2 (linear), no drive, no winch, 300x65-12 wheel 5 bolt. Valve package for frame steering is not included, order separately.	101 000
<b>Taiga Standard multistick</b>	<b>780-018</b>	Taiga chassis with frame steering, 3.8 m crane, valve package multistick 5+2 (linear). Available with 2-lever co-ordinate levers (+3000 sek). Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	175 000
<b>Taiga Plus multistick</b>	<b>780-010</b>	Taiga chassis with frame steering, 4.8 m crane (1.0 m extension), valve package multistick 6+2 (linear). Available with 2-lever co-ordinate levers (+3000 sek). Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer.	193 000
<b>Taiga Pro 2-joystick electric on/off</b>	<b>780-011</b>	Taiga chassis with frame steering, 4.8 m crane (1.0 m extension), valve package 2-joystick electric on/off. Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide included.	210 000

## ACCESSORIES CRANE TRAILERS

<b>Stake Forester</b>	<b>790-020</b>	Extra stake for Forester (sold individually)	1 080
<b>Stake Ranger</b>	<b>790-021</b>	Extra stakes for Ranger (sold individually)	1 180
<b>Stake Taiga</b>	<b>740-031</b>	Extra stake till Taiga (sold individually)	1 240
<b>Sorting stake Taiga</b>	<b>740-032</b>	Sorteringsstake for Taiga. Can also be used as stake extension when transporting twigs and branches. Extend 25 cm.	540
<b>Bogie bunk Taiga</b>	<b>740-023</b>	Telescoping stake holder for mounting on Taigas center chassis.	1 700
<b>Taiga tow bar 52</b>	<b>740-038</b>	Long tow bar for Taiga, for use with standard tractor, ca 115cm. Ca. 25 cm longer than standard tow bar. Hitch ring 52mm. Price for upgrade.	1 040
<b>Long Stakes R/F</b>	<b>790-022</b>	Long stake set for energy wood/spruce loading. Suitable for both Ranger and Forester (6 pcs)	7 000
<b>Working lamps</b>	<b>790-023</b>	Working LED lamps 2 x 48 W. Complete w cables, controlbox, 2 buttons. Complete set for retro fitting.	3 090
<b>Pressure gauge</b>	<b>790-024</b>	Pressure gauge shows all pressures of the crane function. Drive and lifting power as well as possible leaks. Loose for retrofitting.	670
<b>Table for hydraulic unit</b>	<b>790-001</b>	Avestavagnen hydraulic unit table, adjustable height for easy mounting on and off ATVs.	2 780
<b>Table for hydraulic unit XL</b>	<b>790-074</b>	Avestavagnen hydraulic unit table, adjustable height for easy mounting on and off larger ATVs and UTVs, i.e. Polaris 1000	3 300
<b>Timber pincer</b>	<b>790-025</b>	Avestavagnen timber pincer. 10 mm high strength steel, grip 40 cm.	1 490
<b>Teethed timber shears</b>	<b>790-090</b>	Avestavagnen teethed timber shears. 10 mm high strength steel, grip 40 cm.	1 490
<b>Separate wire guide</b>	<b>790-026</b>	Complete separate wire guide with hook chain, functions as extra winch cable guide.	930
<b>Grapple bucket</b>	<b>790-027</b>	Grapple bucket 60 liters. Black powder coated steel.	10 800
<b>Energy wood head 105E</b>	<b>790-028</b>	Energy wood head 105mm, complete with tool holder 39.5 mm. Recommended for Ranger, Ranger Tractor and Taiga.	31 000
<b>Crane grapple head Dalagripen</b>	<b>790-029</b>	Crane grapple head from Dalagripen DG08 red	6 200
<b>Avesta Energy Wood Grapple</b>	<b>740-106</b>	Avesta Energy Wood Grapple AVE08, attachment 39,5 mm	9 900
<b>Brush grapple head Dalagripen</b>	<b>790-030</b>	Brush grapple head from Dalagripen DGR14 red, suitable for handling brush, energy wood and spruce load.	11 100

**ACCESSORIES CRANE TRAILERS**

<b>Insert body</b>	<b>790-031</b>	Insert body in Aluzink for handling of branches and light weight wood. Fits Ranger, Forester and other crane trailers. Divisible long stakes for this insert body needs to be purchased separately (see 790-032).	13 400
<b>Divisible long stakes for insert tray</b>	<b>790-032</b>	Divisible long stake set for energy wood insert tray. Enables quick changes between insert tray and standard stakes.	6 200
<b>Extension kit throttle Honda</b>	<b>790-033</b>	Extension kit throttle Honda. Included in trailers packages that have engines with electric start. Fits both Forester och Ranger.	570
<b>Extension kit throttle Vanguard</b>	<b>790-034</b>	Extension kit throttle Vanguard 13,5 hp. Included in trailers packages that have engines with electric start. Fits both Forester och Ranger.	570
<b>Support wheel quick lock, Forester (no frame steering)</b>	<b>790-035</b>	Support leg with quick lock for 80 mm tow bar. Fits Forester without frame steering.	1 040
<b>Support wheel quick lock Forester/Woodman</b>	<b>790-036</b>	Support wheel with quick lock, fits Woodman and Forester with frame steering.	1 040
<b>Support wheel quick lock Ranger</b>	<b>790-037</b>	Support wheel with quick lock, fits Ranger.	1 130
<b>Hydraulic tipping flat bed Forester</b>	<b>790-038</b>	Hydraulic tipping flat bed Forester, only installation on trailers with winch. Dimensions 2x1,2 m.	26 800
<b>Hydraulic tipping flat bed Ranger</b>	<b>790-040</b>	Hydraulic tipping flat bed Ranger, only installation on trailers with winch. Dimensions 2,6x1,25 m.	28 800
<b>Protection plate flatbed Forester</b>	<b>790-077</b>	Protection plate in Aluzink 1,5 mm, adapted for tipping flatbed Forester.	1 650
<b>Protection plate flatbed Ranger</b>	<b>790-078</b>	Protection plate in Aluzink 1,5 mm, adapted for tipping flatbed Ranger.	1 850
<b>Lifting beam</b>	<b>790-042</b>	Lifting beam for easy lifting and installation of tipping flatbed.	1 550
<b>Can holder</b>	<b>790-043</b>	Can holder for a 5 liter fuel can. To be installed on trailer gate. Electro galvanized.	570
<b>Storage box</b>	<b>790-085</b>	Storage box to be fitted on the gate. Perfect storage for tools, combi can etc. Fits Forester, Ranger and Taiga. Chainsaw holder (790-086) sold separately, room for up to three per storage box.	1 550
<b>Chainsaw holder</b>	<b>790-086</b>	Chainsaw holder with plastic insert, to be mounted on the storage box (790-085). Each box fits up to three holders.	260
<b>Gate mount bracket</b>	<b>701-338</b>	Gate mount bracket for Taiga and Woodman. Mounting screws included.	100
<b>Holder timber pincer</b>	<b>701-308</b>	Timber pincer holder that is mounted on the outside of the storage box. Mounting screws included.	155
<b>Tool holder</b>	<b>740-111</b>	Tool holder that is mounted inside the storage box. Space for a chainsaw file (with extra protection), sledgehammer, other tools etc. Mounting screws included	155
<b>Quick coupling set grip head/lifting bucket</b>	<b>790-044</b>	Quick coupling set for easy change between grip head and lifting bucket.	1 040
<b>Grip head holder Ranger</b>	<b>790-007</b>	Grip head holder for Ranger. Holds grip head during transport. Electro galvanized.	2 270
<b>Single stud set 22x11-8</b>	<b>790-080</b>	Single stud set for 22x11-8 wheels, Forester, Woodman, Utility trailer, Tipping L. 38 studs/wheel and 152 studs/trailer.	1 390
<b>Double stud set 22x11-8</b>	<b>790-081</b>	Double stud set for 22x11-8 wheels, Forester, Woodman, Utility trailer, Tipping L. 76 studs/wheel and 304 studs/trailer.	2 730
<b>Single stud set 300x65-12</b>	<b>790-082</b>	Single stud set for 300x65-12 däck, Ranger, Taiga, HD Utility trailer. 54 studs/wheel and 216 studs/trailer.	1 930
<b>Double stud set 300x65-13</b>	<b>790-083</b>	Single stud set for 300x65-12 däck, Ranger, Taiga, HD Utility trailer. 108 studs/wheel and 432 studs/trailer.	3 700

## TRAILERS

<b>Woodman Standard</b>	<b>780-001</b>	Woodman standard for manual load, all-terrain wheels 22x11-8.	20 600
<b>Woodman Manual Crane</b>	<b>780-002</b>	Woodman Manual Crane, manual swing crane, all-terrain wheels 22x11-8.	26 800
<b>Woodman Pro</b>	<b>780-003</b>	Woodman Pro, manual swing crane, Warn radio controlled electric winch, 4 stakes, 6 holders, battery with battery shelf, timber pincher, separate wire guide, load tilter, charging cable from ATV, all-terrain wheels 22x11-8.	39 100
<b>Utility Trailer, terrain</b>	<b>760-004</b>	Trailer with dumper bed, all-terrain wheels 22x11-8	28 300
<b>Utility Trailer, grass</b>	<b>760-005</b>	Trailer with dumber bed, large grass wheels 23x10,5-12	28 300
<b>Heavy Duty Utility trailer, terrain</b>	<b>760-006</b>	Large trailer with dumper bed, large all-terrain wheels 300x65-12	33 000
<b>Combi Trailer, terrain</b>	<b>760-007</b>	Combined timber and flatbed trailer, all-terrain wheels 22x11-8	26 800
<b>Combi Trailer, grass</b>	<b>760-008</b>	Combined timber and flatbed trailer, large grass wheels 23x10,5-12	26 800
<b>Tipping trailer XS, grass</b>	<b>760-009</b>	XS trailer with tipping flatbed, 150x100x25 cm, small grass wheels 20x10-8	12 400
<b>Tipping trailer XS, terrain</b>	<b>760-010</b>	XS trailer with tipping flatbed, 150x100x25 cm, all-terrain wheels 22x11-8	13 400
<b>Tipping trailer S, grass</b>	<b>760-011</b>	S trailer with tipping flatbed, 200x120x30 cm, large grass wheels 23x10,5-12	13 900
<b>Tipping trailer S, terrain</b>	<b>760-012</b>	S trailer with tipping flatbed, 200x120x30 cm, all-terrain wheels 22x11-8	14 900
<b>Tipping trailer M, grass</b>	<b>760-013</b>	M trailer with bogie, tipping flatbed, 200x120x30 cm, small grass wheels 20x10-8	25 800
<b>Tipping trailer M, terrain</b>	<b>760-014</b>	M trailer with bogie, tipping flatbed, 200x120x30 cm, all-terrain wheels 22x11-8	27 800
<b>Tipping trailer L, hydraulic tipping, grass</b>	<b>760-015</b>	L trailer with bogie, flatbed with hydraulic tipping function 200x120x30 cm, large grass wheels 23x10,5-12	46 400
<b>Tipping trailer L, hydraulic tipping, terrain</b>	<b>760-016</b>	L trailer with bogie, flatbed with hydraulic tipping function 200x120x30 cm, all-terrain wheels 22x11-8	46 400

**ACCESSORIES TRAILERS**

<b>Warn ATV winch VRX 25</b>	<b>790-045</b>	Radio controlled electric winch. Capacity 1134 kg. Radio control with remote control radio unit purchased separately (790-073)	4 200
<b>Warn Wireless remote control radio unit</b>	<b>790-073</b>	Warn Wireless ATV 12-24V. Remote control radio unit for Warn ATV winch (790-045)	2 800
<b>Manual Safety Winch</b>	<b>790-046</b>	Safety winch from AL-KO, 901A Op 900kg (winch wire not included) Automatic load brake. Max. traction force on the lower wire layer: Vertical load: 900 kg / towing a non-rolling load: 1,500 kg	3 100
<b>Winch Cable</b>	<b>790-089</b>	Winch cable 10 m, 6 mm Ø. Complete with hook. Fits manual safety winch from AL-KO and other manual winches.	520
<b>Wire guide pole</b>	<b>790-047</b>	Wire guide pole (for trailer mount) for use with ATV winch, fits Combi trailer (with holder bracket 790-048), Utility trailer and HD Utility trailer	1 340
<b>Holder bracket for winch pole or wire guide pole</b>	<b>790-048</b>	Holder bracket for winch pole or wire guide pole for Combi trailer, mounted on towbar	1 750
<b>Winch pole bracket</b>	<b>790-049</b>	Winch pole bracket for winch mount, fits Combi trailer, Utility trailer and HD Utility trailer.	930
<b>Tail gate full height Utility trailer</b>	<b>790-050</b>	Tail gate full height Utility trailer.	3 000
<b>Tail gate full height HD Utility trailer</b>	<b>790-051</b>	Tail gate full height HD Utility trailer	3 100
<b>ATV ramp, LS 150 v (2 pcs)</b>	<b>790-052</b>	Drive-up ramps for Utility trailers, HD Utility trailers and Combi trailers, for example ATVs onto flatbeds	3 600
<b>ATV ramp, LS 200 v (2 pcs)</b>	<b>790-053</b>	Drive-up ramps for Utility trailers, HD Utility trailers and Combi trailers, for example ATVs onto flatbeds	4 120
<b>Separator/extra floor Utility trailer</b>	<b>790-055</b>	Cover/lid in 3/5 aluminium as floor or separator in Utility trailer	2 990
<b>Load tilter Woodman</b>	<b>790-056</b>	Load tilter for easy loading of timber	520
<b>Extra stake Woodman lower part</b>	<b>740-008</b>	Extra stake 1 pc for Woodman, lower part	620
<b>Extra stake Woodman upper part</b>	<b>740-100</b>	Extra stake 1 pc for Woodman, upper part with chain	420
<b>Extra bunk Woodman</b>	<b>740-003</b>	Extra bunk for Woodman, with fitting holes for two stakes	1 800
<b>Timber pincer</b>	<b>790-025</b>	Avestavagnen timber pincer. 10 mm high strength steel, grip 40 cm.	1 490
<b>Separate wire guide</b>	<b>790-026</b>	Complete separate wire guide with hook chain, functions as extra winch cable guide.	930
<b>Support wheel quick lock Forester/Woodman</b>	<b>790-036</b>	Support wheel with quick lock, fits Woodman and Forester with frame steering.	1 040

**ACCESSORIES TRAILERS**

<b>Telescopic support leg</b>	<b>790-059</b>	As a spare part or an additional telescopic support leg for Woodman. One support leg is included in Woodman Manual Crane and Woodman Pro	1 750
<b>Woodman swing crane and support leg</b>	<b>790-060</b>	Manual swing crane for Woodman. Can be retrofitted to TB1200, TB1300 and Woodman and other trailers. One support leg is included.	6 180
<b>Dumper bed with wire tip function</b>	<b>790-061</b>	Dumper bed for Woodman, fits ATVs with rear mount wire winch.	18 500
<b>Insert body</b>	<b>790-062</b>	Insert body in aluminum, fits Woodman and other trailers.(similar to Utility trailer insert)	13 400
<b>Extension sides Tipping trailer XS</b>	<b>790-063</b>	Extension sides Tipping Trailer XS, L150 W100 H60. Half top hinged tailgate.	4 120
<b>Extention sides Tipping trailer S, M and L</b>	<b>790-064</b>	Extension sides Tipping Trailer S, M,L. L200 B120 H60. Full top hinged tailgate.	5 200
<b>Bottom hinged tailgate Tipping trailer S, M, L</b>	<b>790-065</b>	Extra bottom hinged tailgate for Tipping Trailer S, M and L	1 750
<b>Åkerström radio unit complete</b>	<b>790-066</b>	Radio control with wireless remote control for Tipping trailer L.	4 330
<b>Support wheel with quick lock, Tipping trailer XS</b>	<b>790-067</b>	Support wheel with quick lock for 50 mm towbar. Fits Tipping trailer XS.	1 040
