CRANE TRAILERS FOR ATV			EX-VAT
<b>Forester Light</b>	<b>770-001</b>	Forester chassis, 3,4 m standard crane, valve package 5+2 multistick,(linear) engine 6 hp Vanguard, no drive, no frame steering, no winch 22x11-8 wheels	92 000
<b>Forester Standard</b>	<b>770-002</b>	Forester chassis, 3,4 m std crane, valve package 5+2 lever multistick (linear), engine 6 hp Vanguard, hydraulic drive, manually operated with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	151 000
<b>Forester Plus multistick</b>	<b>770-003</b>	Forester chassis, 4.2 m crane (0.8 m telescopic extension), valve package 6+2 lever multistick (linear), engine 6 hp Vanguard, hydraulic drive manually controlled with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	170 000
<b>Forester Plus multistick, with automatic drive and electric start</b>	<b>770-004</b>	Forester chassis, 4.2 m crane (0.8 m extension), valve package 6+2 lever multistick (linear), engine 6.5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	184 000
<b>Forester Plus 2-lever</b>	<b>770-005</b>	Forester chassis, 4.2m crane with extension, valve package with 2-lever coordinate levers, engine 6 hp Vanguard, hydraulic drive, manually operated with two levers, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	173 000
<b>Forester Plus 2-lever with automatic drive and electric start</b>	<b>770-006</b>	Forester chassis, 4.2 m crane (0.8 m extension), valve package 2-lever coordinate levers, engine 6.5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebar, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels	187 000
<b>Forester Pro multistick</b>	<b>770-007</b>	Forester 4.2 m crane (0.8 m extension), valve package 6+2 multistick, engine 6.5 hp Honda electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide included	198 000
<b>Forester Pro 2 joystick electric on/off</b>	<b>770-008</b>	Forester, 4.2 m crane (0.8 m extension), valve package 2 joystick electric on/off, 6.5 hp Honda with electric start, hydraulic drive automatic with control buttons on the handlebars, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide	202 000
<b>Forester Complete multistick</b>	<b>770-009</b>	Forester Pro (part no. 770-007), hydraulic tipping flatbed, grapple bucket, lifting beam	222 000
<b>Forester Complete 2-spak el on/off</b>	<b>770-010</b>	Forester Pro (part no.770-008), hydraulic tipping flatbed, grapple bucket, lifting beam	227 000

<b>Ranger Standard</b>	<b>771-011</b>	Ranger chassis, 3.8 m std crane, valve package 5+2 lever multistick (linear), engine Vanguard 6 hp, hydraulic drive, controlled manually with two levers, electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels	195 000
<b>Ranger Plus multistick</b>	<b>771-012</b>	Ranger, 4.8 m crane (1.0 m extension), valve package 6+2 lever multistick (linear), Honda 13 hp with electric start, hydraulic drive, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels	235 000
<b>Ranger Plus 2-lever</b>	<b>771-013</b>	Ranger chassis, 4.8 m crane (1.0 m extension), valve package 2-lever coordinate levers, engine Honda 13 hp with electric start, hydraulic drive, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels	239 000
<b>Ranger Pro multistick</b>	<b>771-014</b>	Ranger, 4.8 m crane (1.0 m extension), valve multistick 6+2 (linear), engine Honda 13 hp with electric start, automatic with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, radio controlled hydraulic winch, 300x65-12 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide	245 000
<b>Ranger Pro 2-joystick electric on/off</b>	<b>771-015</b>	Ranger, 4.8 m crane (1.0 m extension), 2-joystick electric on/off, Honda 13 hp with electric start, automatic drive with control buttons on the handlebars (2-speed drive), electro-hydraulic frame steering, radio controlled hydraulic winch, 300x65-12 wheels. LED working lamp set, pressure gauge, table for hydraulic unit, timber pincer, separate wire guide	249 000
<b>Ranger Complete Multistick 6+2</b>	<b>771-016</b>	Ranger Pro (part no. 771-014), hydraulic tipping tray, grapple bucket, lifting beam	273 000
<b>Ranger Complete 2-spak el on/off</b>	<b>771-017</b>	Ranger Pro (part no. 771-015), hydraulic tipping tray, lifting bucket, lifting beam	277 000

**All trailers can be equipped with multistick, 2-stick manual or 2-stick electric on/of**

<b>Forester Tractor Light</b>	<b>770-118</b>	Forester chassis, 3.4 m std crane, valve package 5+2 lever multistick (linear), no drive, no winch, no frame steering, 22x11-8 wheels	81 000
<b>Forester Tractor Standard</b>	<b>770-119</b>	Forester chassis, 3.4 m std crane, valve package 5+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	128 000
<b>Forester Tractor Plus multistick</b>	<b>770-120</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 6+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	146 000
<b>Forester Tractor Plus 2-lever</b>	<b>770-121</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 2-lever co-ordinate levers, hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	149 000
<b>Forester Tractor Pro 2-joystick electric on/off</b>	<b>770-122</b>	Forester chassis, 4.2 m crane (1.0 m extension), valve package 2-joystick electric on/off, hydraulic drive, hydraulic frame steering, radio controlled hydraulic winch, 22x11-8 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide	163 000
<b>Ranger Tractor Plus multistick</b>	<b>771-124</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 6+2 lever multistick (linear), hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	187 000
<b>Ranger Tractor Plus 2-lever manual stick</b>	<b>771-125</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 2-lever co-ordinate levers, hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	190 000
<b>Ranger Tractor Pro 2-joystick electric on/off</b>	<b>771-126</b>	Ranger chassis, 4.8 m crane (1.0 m extension). Valve package 2-joystick electric on/off, hydraulic drive, hydraulic frame steering, hydraulic movable bogie, radio controlled hydraulic winch, 300x65-12 wheels. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive, bogie and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide included	204 000

CRANE TRAILERS FOR TRACTORS			EX-VAT
<b>Taiga Light</b>	<b>780-017</b>	Taiga chassis with frame steering (operated by the tractor hydraulics), 3.8 m crane, valve package multistick 6+2 (linear), no drive, no winch, 300x65-12 wheel 5 bolt. Valve package for frame steering is not included, order separately	101 000
<b>Taiga Standard</b>	<b>780-018</b>	Taiga chassis with frame steering, 3.8 m crane, valve package multistick 5+2 (linear). Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	175 000
<b>Taiga Plus</b>	<b>780-010</b>	Taiga chassis with frame steering, 4.8 m crane (1.0 m extension), valve package multistick 6+2 (linear). Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer	193 000
<b>Taiga Pro El on/of</b>	<b>780-011</b>	Taiga chassis with frame steering, 4.8 m crane (1.0 m extension), valve package 2-joystick electric on/off. Hydraulic drive, radio controlled hydraulic winch, 300x65-12 wheels 5 bolts. Trailer drive, frame steering and winch are powered by the tractor hydraulics through a 3-sect electric controlled valve package (mounted on trailer). Electric remote control kit for drive and frame control included. The trailer drive and frame control etc. are operated through an instrument panel box connected to the valve on the trailer. LED working lamp set, timber pincer, separate wire guide included	210 000

<b>Stake Forester</b>	<b>740-248</b>	Extra stake (stanchions) for Forester (sold individually)	1 080
<b>Stake Ranger</b>	<b>740-045</b>	Extra stake for Ranger (sold individually)	1 180
<b>Stake Taiga</b>	<b>740-031</b>	Extra stake for Taiga (sold individually)	1 240
<b>Sorteringsstake Taiga</b>	<b>740-032</b>	Separating Stanchion for Taiga. Can also be used as stake extension when transporting twigs and branches. Extend 25 cm	540
<b>Bogie bunk Taiga</b>	<b>740-023</b>	Telescoping stake holder for mounting on Taigas center chassis	1 700
<b>Taiga tow bar 52</b>	<b>740-038</b>	Long tow bar for Taiga, for use with standard tractor, ca 115cm. Ca. 25 cm longer than standard tow bar. Hitch ring 52mm. Price for upgrade	1 040
<b>Long Stakes R/F</b>	<b>790-022</b>	Long stake (stanchion) set for energy wood/spruce loading. Suitable for both Ranger and Forester (6 pcs)	7 000
<b>Working lamps</b>	<b>790-023</b>	Working LED lamps 2 x 48 W. Complete w cables, controlbox, 2 buttons. Complete set. add to any trailer	3 090
<b>Pressure gauge</b>	<b>790-024</b>	Pressure gauge shows all pressures of the crane function. Drive and lifting power as well as possible leaks. Gauge with couplings. Loose for retrofitting	670
<b>Table for hydraulic unit</b>	<b>790-001</b>	Avestavagnen hydraulic unit table, adjustable height for easy mounting the powerpack on and off ATVs	2 780
<b>Hydraulbord XL</b>	<b>790-074</b>	Avestavagnen hydraulic unit table XL, adjustable height for easy mounting the powerpack on and off ATVs. For higher ATV like Polaris 1000XPS	3 300
<b>Timber pincer</b>	<b>790-025</b>	Avestavagnen universal timber pincer. 10 mm high strength steel, grip 40 cm	1 490
<b>Teethed timber shears</b>	<b>790-090</b>	Avestavagnen teethed timber shears. Perfect for winch, 10 mm high strength steel, opens 40 cm	1 490
<b>Separate wire guide</b>	<b>790-026</b>	Complete separate wire guide with hooks and chain, functions as extra winch cable guide	930
<b>Chassi extention</b>	<b>740-179</b>	For Ranger. Extends the chassi 400mm in the back, Holds place for an extra set of stanchions, The trailer then can have 8pce of stake. And can carry a log of 600cm	6 500
<b>Grapple bucket</b>	<b>790-027</b>	Grapple bucket 60 liters. Black powder coated steel	10 800

<b>Energy wood head 105E</b>	<b>790-028</b>	Energy wood head 105mm, complete with tool holder 39.5 mm. Fits Forester, Ranger and Taiga	31 900
<b>Avesta Grapple Classic</b>	<b>790-079</b>	Avestas classic green grapple. 39,5mm (Forester Standard)	5 980
<b>AVG 08 Grapple</b>	<b>740-101</b>	Avesta grapple AVG08 39,5mm (New stronger grapple) <i>if uppgrade a Forester 1 750:-</i>	7 450
<b>AVE 08 Energy Brush Grapple</b>	<b>740-106</b>	Avesta AVE08 green and blue 39,5 mm	10 200
<b>AVG 12 Grapple</b>	<b>740-163</b>	Avesta AVG12 (Order item) For smaller tractor 39,5mm holder, or 49,5 or other fitter	10 500
<b>AVE 12 Energy Brush Grapple</b>	<b>740-510</b>	Avesta AVE12 (Order item) For smaller tractor 39,5mm holder, or 49,5 or other	12 000
<b>AVG 16 Grapple</b>	<b>740-422</b>	Avesta AVG16 (Order item) For tractor trailer 5-8 ton 39,5mm holder, or 49,5 or other	12 500
<b>AVE 16 Energy Brusck Grapple</b>	<b>740-511</b>	Avesta AVE16 (Order item) For tractor trailer 5-8 ton 39,5mm holder, or 49,5 or other fitter	14 000

## ACCESSORIES CRANE TRAILERS

Ex moms

<b>Insert body zink</b>	<b>790-031</b>	Insert body in Aluzink for handling of branches and light weight wood. Fits Ranger, Forester and other crane trailers. Divisible long stakes for faster change insert could be purchased separately (see 790-032)	13 400
<b>Divisible long stakes for insert tray</b>	<b>790-032</b>	Divisible set for energy wood insert tray. Enables quick changes between insert tray and standard stakes. Separates tray in to 3 pce	6 200
<b>Extension kit throttle Honda</b>	<b>790-033</b>	Extension kit throttle Honda. Included in trailers packages that have engines with electric start. Fits both Forester och Ranger	570
<b>Extension kit throttle Vanguard</b>	<b>790-034</b>	Extension kit throttle Vanguard 13,5 hp. Included in trailers packages that have engines with electric start. Fits both Forester och Ranger	570
<b>Support wheel quick lock, Forester</b>	<b>790-035</b>	Support tow bar wheel with quick lock for 80 mm tow bar. Fits Forester without frame steering	1 040
<b>Support wheel quick lock, Forester</b>	<b>790-036</b>	Support wheel with quick lock, fits Woodman and Forester with frame steering	1 040
<b>Support wheel quick lock Ranger</b>	<b>790-037</b>	Support wheel with quick lock, fits all Ranger	1 130
<b>Hydraulic tipping flat bed Forester</b>	<b>790-038</b>	Hydraulic tipper insert Forester, for mounting on trailer with winch, flat size 2x1.2 m	26 800
<b>Tippflak Ranger</b>	<b>790-040</b>	Hydraulic tipping flat bed Forester, only installation on trailers with winch. Trailer without winch need a separate valve. Dimensions 2x1,2 m	28 800
<b>Tippflak Taiga</b>	<b>790-101</b>	Hydraulic tipping flat bed Taiga, only installation on trailers with winch. Trailer without winch need a separate valve. Dimensions 2,6x1,25m	28 800
<b>Protection plate flatbed Forester</b>	<b>790-077</b>	Protection plate in zinkplated steel 1,5 mm, adapted for tipping flatbed Forester	1 650
<b>Protection plate flatbed Ranger</b>	<b>790-078</b>	Protection plate in zinkplated steel 1,5 mm, adapted for tipping flatbed Ranger/ Taiga	1 850
<b>Lifting beam</b>	<b>790-042</b>	Lifting beam,yoke for easy lift on and of, tipping flatbed	1 550
<b>Can holder</b>	<b>790-043</b>	Can holder for a 5 liter fuel can. Powerpack fuel. To be installed on trailer gate. Electro galvanized	570
<b>Storage box</b>	<b>790-085</b>	Storage box to be fitted on the gate. Perfect storage for tools, combi can etc. Fits Forester, Ranger and Taiga. Chainsaw holder (790-086) sold separately, room for up to three per storage box	1 550
<b>Chainsaw holder</b>	<b>790-086</b>	Chainsaw holder with plastic insert, to be mounted on the storage box (790-085). Each box fits up to three holders.	260
<b>Gate mount bracket</b>	<b>701-338</b>	Gate mount bracket for Taiga and Woodman. Mounting screws included	100
<b>Holder timber pincer</b>	<b>701-308</b>	mounted on the outside of the universal box. Mounting screw included	155
<b>Verktgshållare universallåda</b>	<b>740-111</b>	Timber pincer holder that is mounted on the outside of the storage box. Mounting screws included	155
<b>Quick coupling set Grapple classic and grapple bucket</b>	<b>790-044</b>	Quick coupling set for fast change between grip head and lifting bucket	1 040
<b>Quick coupling set grapple bucket and Grapple AVG08</b>	<b>790-102</b>	Quick coupling set for fast change between grip head and lifting bucket	1 040
<b>TILLBEHÖR KRANVAGNAR</b>			<b>Ex moms</b>
<b>Spare parts kit Forester grapple, telescop</b>	<b>790-075</b>	<i>Avestavagnen AB reserves the right for possible misprints and price changes based on factors beyond our control</i> Spare hose kit that you can take with you to the forest if you have broken a gripper or extension hose on your Forester. Hose 21, 22, 23 and 17	Page 7 av 28

<b>Spare parts kit Forester grapple, telescop</b>	<b>790-076</b>	Spare hose kit that you can take with you to the forest if you break a grab or extension hose on your Ranger. Hose 21, 22, 23 and 17	770
<b>Grip head holder Ranger</b>	<b>790-007</b>	Grip head holder for Ranger. Holds grip head during transport, in the back of trailer. Electro galvanized	2 270
<b>Single stud set 22x11-8</b>	<b>790-080</b>	Single stud set for 22x11-8 wheels, Forester, Woodman, Utility trailer, Tipping L. 38 studs/wheel and 152 studs/trailer	1 390
<b>Double stud set 22x11-8</b>	<b>790-081</b>	Double stud set for 22x11-8 wheels, Forester, Woodman, Utility trailer, Tipping L. 76 studs/wheel and 304 studs/trailer	2 730
<b>Single stud set 300x65-12</b>	<b>790-082</b>	Single stud set for 300x65-12 däck, Ranger, Taiga, HD Utility trailer. 54 studs/wheel and 216 studs/trailer	1 930
<b>Double stud set 300x65-13</b>	<b>790-083</b>	Single stud set for 300x65-12 däck, Ranger, Taiga, HD Utility trailer. 108 studs/wheel and 432 studs/trailer	3 700

# UTILITY, COMBI TRAILER & ACCESORIES

All prices below exclusive VAT. Freight exkluded

Article	Art. no.	Description	Price sek EX-VAT
---------	----------	-------------	---------------------

<b>Utility Trailer Terrain</b>	<b>760-004</b>	<b>Universal hunting trailer, Alu bed, passenger transport, tipping tray</b>	<b>28 300</b>
<b>Utility Trailer Grass</b>	<b>760-005</b>	<b>Same, but with large grass wheels, works well in parks, golf courses</b>	<b>28 300</b>
Utility Trailer full height tailgate	790-050	Extra tailgate, full height to be able to load full with e.g. firewood, The standard wagon is delivered with a low tailgate	3 000

<b>Heavy Duty Utility Trailer</b>	<b>760-006</b>	<b>Much larger area to sit than the usual, you can easily drive an ATV on top, the wagon has bigger and stronger universal wheels</b>	<b>33 000</b>
HD Utility Trailer ffull height tailgate	790-051	Extra tailgate, full height to be able to load full with e.g. firewood, The standard wagon is delivered with a low tailgate	3 100

## Below accessories fit both Regular Utility and Utility HD

Winch pole bracket	790-049	Winch pole bracket for winch fits,Utility trailer and HD Utility trailer	930
Wire guide pole	790-047	To be used with a winch in back of ATV	1 340
Manual Secure winch AL-KO	790-046	Safety winch from AL-KO, 901A Op 900kg (winch cable not included) Automatic cargo brake. Max. tensile force on the lower wire layer: Vertical load: 900 kg / towing a non-rolling load: 1,500 kg	3 100
Winch cable with hook	790-089	Winch cable 10 m, 6 mm Ø. Complete with hook. Fits AL-KO and other hand winches	520
Wireguide	790-026	Complete with hooks and chain, extra winch cable guide	930
Electric winch radio controlled Åkeströms	740-099	Complete unit ready to mount on the trailer's winch bracket. Delivered with splice connector and 2.5m connection cable to e.g. ATV Warn 2500	8 990
Universal holder for battery	790-069	Battery shelf universal, If ypu have working lights, winch, electric start, fits all trailers	820
Battery AGM	790-070	Leisure battery 45Ah AGM (90% discharge capacity)	1 440
Support wheel	790-068	Swivel support wheel with quick attachment, pull a pin and the support wheel is free	1 040
Ramp ATV LS 150v	790-052	Foldable strong ramp L=150cm to drive up heavy machinery onto the flatbed, also available in other designs and lengths, sold individually	3 450
Delimiter/extra floor Utility Trailer	790-055	3/5 alu. Becomes a cover on the surface where you can sit. Fits Utility+HD	2 990

<b>Combi Trailer Terrain</b>	<b>760-007</b>	<b>Robust trailer with telescopic drawbar, real bogie, completely made of hot-dip galvanized high-strength steel, good for firewood and passenger transport, all-terrain wheels</b>	<b>26 800</b>
<b>Combi Trailer Grass</b>	<b>760-008</b>	<b>Same as above but with large grass wheels</b>	<b>26 800</b>
Stödhjul Combi Trailer	790-067	Stödhjul med snabbfäste	1 040

# WOODMAN & ACCESSORIES

All prices are shown excluding VAT. Shipping is added

Article	Art. no.	Description	Price sek EX-VAT
<b>SMALL CARTS SUITABLE FOR FOREST WORK WITH ATVS</b>			
Woodman Standard	780-001	Manual heavy-duty trolley for hand loading firewood, recommended load weight 1300kg, all-terrain wheels 22x11-8	20 600
Woodman Manual Crane	780-002	Woodman cart complete with manual swing wire crane, intended for ATV rear mounted winch	26 800
Woodman Pro	780-003	Woodman with wire crane, Warn Provantage winch with radio control from Åkerströms. Own leisure battery with battery shelf, Charging cable from ATV Lunning scissors, cable guide with hook and chain	41 900
Load rocker	790-056	Attach easily to the pole on the cart, a help and you can quickly and easily load long firewood	520
Extra stake lower half	740-008	Welded angular model, also fits older carts but does not look the same	620
Extra stake upper half	740-100	Square straight surface treated with chain, so as not to be lost	420
Timber pincer	790-090	Grip 40cm specially designed for winch, 10mm high strength steel, it does not lose grip	1 490
Separate wire guide	790-026	Extra winch cable guide, breaker block with chain and hooks, you can easily winch past an obstacle	930
Insert body 225cm	790-062	Insert body in aluminum, fits Woodman and other trailers.(similar to Utility trailer insert)	13 400
Dumper bed with wire tip function	790-061	Flat flatbed with flaps, bottom of flatbed flap, spreader flap, see Tipping Trailer M	18 500
Extention sides Tipping trailer	790-064	Net extension Tipping Trailer S, M,L. L200 W120 H60. Full overhang tailgate	5 200
Wire crane Woodman	790-060	Separate crane intended for rear-mounted winch, The crane has a removable telescopic support leg, Fits TB 1200, TB 1300 and Woodmanan	6 180
Woodman telescopic support leg	790-059	As a spare part or an extra telescopic support leg for a crane	1 750
Universal holder for battery	790-069	Battery shelf universal, If ypu have working lights, winch, electric start, fits all trailers	820
Battery AGM	790-070	Leisure battery 45Ah AGM (90% discharge capacity)	1 440
Support tow bar wheel	790-036	For 70 mm drawbar. Pull a sprint and the support wheel is free	1 040
Alu Ramp ATV, LS 150 v	790-052	Foldable strong ramp L=150cm to drive up heavy machinery onto the flatbed, also available in other designs and lengths, sold individually	3 450
